Public Works Report

Gravel Roads

Fall Grader operations are ongoing. Roads are being assessed on a continuous basis. Graders are continuing their efforts on soft areas, areas with washboards, and areas with potholes. As such, patch gravelling is continuing to occur on several roads within the County with aggregate being utilized out of the Irwin and Martin gravel pits along with the Centerview stockpile pit.

Surfaced Roads

Painting of "STOP AHEAD" and stop bars, on County surfaced roads, began the week of September 23rd and will be ongoing over the next few weeks.

Painting of a new crosswalk in Condor was completed on October 2nd to accommodate Condor school. This was done in conjunction with Maintenance installing a new culvert and gravel approach to connect the existing sidewalk with the new crosswalk across from the community hall.

Crews are still patching any surfaced roads, and, SB-90 dust suppressions requiring maintenance, prior to the winter season.

Hauling of Winter Sand, to the North salt storage facility, began the week of September 30th.

Maintenance

Crushing has been completed in the Irwin Pit.

Upgrades to the Condor Wastewater Lagoon is continuing. New Liner installation to be completed in the spring of 2020. Anticipate commissioning of the lagoon, with upgrades, to occur early December 2019.

The Leslieville School grounds wastewater force-main relocation construction project started the week of September 30th. Anticipate completion the week of October 30th, 2019. In addition, Pidherney's will have hydrovac trucks hauling sewage to the lagoon, throughout construction, so no interruptions are expected.

Construction, for the replacement of bridge structure BF 02232, south of Withrow (SE-28-39-4-W5), is still ongoing. The Withrow Highway, just north and south of the bridge structure, continues to be closed. Anticipate completion by October 30th, 2019.

Construction, for the replacement of bridge structure BF 79392, on Twp. Rd. 37-2 west of Stauffer (NW-9-37-5-W5), is still ongoing. Anticipate completion by October 30th, 2019.

The annual flushing of the sanitary wastewater lines, within the hamlets of Leslieville, Condor and Nordegg, has been completed.

The placement of three new streetlights, one in the hamlet of Leslieville and two in Withrow, has been completed.

The installation of wastewater sanitary lines, to the Nordegg Museum and Golf Course Club House, has commenced. Anticipate completion by October 30th, 2019.

Maintenance and repair work, to the Nordegg trails, has finished for 2019. Further work will continue in the spring and summer of 2020.

Gravel Road Rehabilitation

Road Re-Hab Crew working on Twp. Rd. 37-2 (Cooper Pit Road) has roughed in 3200m of the 3200m project and is drying and shaping as weather permits.

Crew has started on Summer Village of Burnstick Lake project, with slope improvements underway. Crew should have project complete with final clean up remaining by Tuesday, weather permitting.

Road Re-Hab crew on Range Road 7-4, north of Twp. Rd. 40-5 for 2400m, has the project completed.

Crew has moved to Township Road 41-2, west of Hwy 22 (Frisco Pit Road), with approximately 200m of the 1600m project roughed in.

Shoulder Pull Crew is on Range Road 5-3, north of SH 598 for 4800m. Crew has 4000m roughed in.

Clean up dozer has trimmed ditches along Twp. Rd. 40-2 shoulder pull and James River Road shoulder pull projects. Dozer will start on Range Road 5-3 as weather permits.

Beaver Flat Road

The Beaver Flat Road project includes the Grading and Other Work from Hwy. 12 to approximately 4.5 km north. Howitt Construction Ltd has road surface to grade and gravelled from Lobstick Creek bridge to north limits of project. Howitt has road under cut from Lobstick Creek bridge to Hwy 12 with backfilling to grade ongoing. Crew continues

to work on compaction as weather permits. Howitt continues to work on ditch cleanup as weather permits from Lobstick Creek to north end of project.

Blue Mountain Power has finished relocating power poles on project.

Nordegg

Manufactured Home Park

Streetlights for the MHP will be installed later this fall.

Completion testing of installed shallow utilities will take place this fall.

Facilities

Condor Public Services Building

Eagle Builders are continuing to install the electrical and mechanical components. Installation of the millwork, lockers and plumbing fixtures is underway. Substantial completion and owner walk through is scheduled for October 15, 2019, ahead of schedule. Once the handover is complete, County staff and contractors will commence furniture and equipment installation, install security system, landscaping and security fence installation.

Nordegg Heritage Centre

The contractor is continuing to work on renovations on the top floor of the Heritage Centre.
