

**September 10<sup>th</sup>, 2019**

**Public Works Report**

**Gravel Roads**

Summer Grader operations are ongoing. Roads are being assessed on a continuous basis. As such, patch gravelling is continuing to occur on several roads within the county. Patch gravelling is being carried out of the Irwin Pit and the Center-View Stockpile pit. Washboard conditions are of continued concern and are presently being addressed as quickly as possible, weather permitting.

**Surfaced Roads**

Line painting was completed on Thursday, September 5.

Warranty maintenance and repair work of existing dust suppressions is still on-going.

Asphalt patching/repair is continuing and will be on-going if weather permits.

Crack Sealing was completed on Friday, August 30.

**Maintenance**

Crushing is still ongoing in both the Irwin and Martin Pit. Anticipate crushing to be completed by the end of September 2019.

The Hydrogeological Assessment has been completed for the new Cooper South Aggregate Pit. Work to continue towards attaining development permit for 2019/2020.

Upgrading of the Condor Wastewater Lagoon began on July 27<sup>th</sup>. Anticipate total completion by November 30<sup>th</sup>, 2019.

The Leslieville wastewater force-main and natural gas-line relocation construction project to begin the week of September 23<sup>rd</sup>. Anticipate completion the week of October 30<sup>th</sup>, 2019.

Construction, for the replacement of bridge structure BF 02232, south of Withrow (SE-28-39-4-W5), has been pushed back to the week of September 9<sup>th</sup>. The road will be closed as of Tuesday, September 10<sup>th</sup>. Anticipate completion by October 30<sup>th</sup>, 2019.

Construction, for the replacement of bridge structure BF 79392, on Twp. Rd. 37-2 west of Stauffer (NW-9-37-5-W5), to begin the week of September 3<sup>rd</sup>. Anticipate completion by October 15<sup>th</sup>, 2019.

Rehabilitation and maintenance work, on segments of the Nordegg Trail System, will continue throughout the remainder of the summer and into the early fall months, weather permitting.

All approvals and documentation, for the placement of two additional streetlights and one additional streetlight in the hamlets of Withrow and Leslieville, respectively, are in place. Currently waiting on Fortis to complete the installation.

### **Gravel Road Rehabilitation**

Road Re-Hab Crew working on Twp. Rd. 37-2 (Cooper Pit Road) has roughed in 1600m of the 3200m project.

Road Re-Hab crew on Rge. Rd. 6-4, south of Twp. Rd. 39-2, for approximately 2000 m, has the project completed. Crew has moved to Range Road 7-4, north of Twp. Rd. 40-5 for 2400m. Crew has approximately 2000m of the project roughed in.

Shoulder Pull Crew has begun work Twp. Rd. 34-3 (James River Road) west of Hwy 22 for a 5600m project with approximately 400m roughed in.

### **Beaver Flat Road**

The Beaver Flat Road project includes the Grading and Other Work from Hwy. 12 to approximately 4.5 km north. Howitt Construction Ltd has road to grade south of T 41-0 to Lobstick Creek bridge with surface prep underway to prepare for gravel. Road has been tested and passed for 300m from bridge north up to residence approach and surface has been graveled. Howitt continues to work on subgrade prep and ditch cleanup as weather permits.

### **Township Road 41-2 (Frisco Pit Road)**

Crew has worked side slopes to prepare for stripping of topsoil on Twp. 41-2 for rehabilitation later this fall.

### **Nordegg**

#### **Manufactured Home Park**

Streetlights for the MHP will be installed later this fall.

Completion testing of installed shallow utilities will take place this fall.

#### **Quarry Road**

Mulching along road right of way will start later this month.

## Facilities

### **Condor Public Services Building**

Eagle Builders are currently working on the electrical and mechanical systems. Aprons will be poured as soon as ground conditions will permit. Fortis has installed the transformer. The retailer is scheduled to install the power meter this week. The drywalling is also underway.

### **New Public Works Facility (Nordegg)**

Staff and contractors will commence the building code renovations, access control and operational set up in the coming weeks.
