Public Works Report

Gravel Roads

On any significant snowfall event, graders strive to have all gravel roads, as per County policy, opened in 96 hours.

Additional gravel is being laid, on school bus routes, to provide traction for safe operations.

Surfaced Roads

Snow-plow operations continue, on a weekly basis, as needed, in order to mitigate any snowfall event.

The installation of snow fencing has been completed.

Maintenance

Aggregate volumetric surveys will be completed, over the next two weeks, on several Clearwater county gravel pits.

Lacombe County equipment demobilized from the Smith Gravel Pit the week of December 3rd to 6th, 2019.

The concrete bases, for eleven Nordegg Street Lights along Stuart Street, have been poured and set. The individual poles have been stood and the lights will be installed in 2020.

All projects have been completed for this season. Staff have commenced planning for next years operations programs.

Gravel Road Rehabilitation

Staff have commenced planning for next years construction program and are continuing to finish off landowner agreements from 2019. Brushing has commenced on Township Road 36-5A (Paradise Road) in preparation for future rehabilitation.

Base Pave

Preliminary planning is underway for the Speight Road grading project.
