

November 26th, 2019

Public Works Report

Gravel Roads

Graders are continuing their efforts in mitigating the ice build-up found on several roadways.

Additional gravel is being laid on school bus routes to provide traction for safe operations.

Surfaced Roads

The placement of snow fencing began the week of November 25th.

Patching of any surfaced roads, and, SB-90 dust suppressions requiring maintenance, will only proceed when weather and road conditions permit during the winter season.

Pickling and stacking of winter sanding material for both the North and South (Caroline) facilities has been completed.

Staff will continue to monitor weather forecasts and road conditions, and, plows will be dispatched as required.

Maintenance

Lacombe County equipment is currently in the Smith Gravel Pit performing reclamation work in phase one along with the stripping of overburden and topsoil in phase two. Anticipate work to be completed by the end of December 2019.

Upgrades to the Condor Wastewater Lagoon will have a phase break and continue in the spring of 2020. Work to be completed, within 2020, is the installation of the new liner within the lagoon storage cell. Commissioning of the facultative cell, with upgrades, has been completed.

The Leslieville School grounds wastewater force-main relocation construction project has been completed. Additional landscaping to be completed in the spring of 2020.

Construction, for the replacement of bridge structure BF 02232, south of Withrow (SE-28-39-4-W5), has been completed.

Repair work, to bridge structure BF 70327, located at SE 17-40-05-W5M on Township Road 40-2, just west of Range Road 5-4 (by Leslieville), has been completed.

The concrete bases, for eleven Nordegg Street Lights along Stuart Street, have been poured and set. The individual poles have been stood and the lights will be installed in 2020.

The Beaver trapping program has been completed. A total of 77 beavers were trapped.

Gravel Road Rehabilitation

All projects have been completed for this construction season. Staff have commenced planning for next years construction program.

Base Pave

The tender for the Tami Road base/ pave project is now closed. Tender results will be brought forward to Council at the next scheduled Council meeting.

Nordegg

Nordegg Historic Core

The tender for construction of this project is scheduled to be advertised by the end of November.

Facilities

Condor Public Services Building

Addressing minor deficiencies is still ongoing including the final adjustments of the water fill stations, commissioning the backup generator, installation of the wash bay curtain, perimeter fencing and rear yard gravelling.

Old Blue Fire Hall

Demolition of this building has commenced and should be completed in the following weeks.

Nordegg Heritage Centre

The contractor is continuing to work on renovations on the top floor of the Heritage Centre.

New Washroom Facility (Heritage Centre)

The two stall bathroom (18x8) is currently framed and sided with final plumbing and paint yet to be completed.
